The particulars of its organisations, functions and duties

Ganga Flood Control Commission

The Ganga Flood Control Commission (GFCC), a subordinate office of Ministry of Water Resources, was created by the Government of India vide Resolution No. FC 47(3)/72 dated 18.4.72 as secretariat and executive wing of Ganga Flood Control Board (GFCB) and to deal with floods and its management in Ganga Basin States. The GFCB is headed by Hon'ble Union Minister of Water Resources. Chief Ministers of Basin States or their representative and Member, Planning Commission are the members of the Board. Chairman, GFCC acts as the Member-Secretary of the Board. The headquarter of GFCC is at Patna. It is headed by a Chairman, who is assisted by two full time Members, four Directors and 94 nos. of supporting staff. The representatives of the concerned Central Ministries as well as Chief Engineers of the Basin States are either part-time Members or permanent invitees of the Commission.

Ganga Basin States

Bihar, Chhattisgarh, Haryana, Himachal Pradesh, Jharkhand, Madhya Pradesh, NCT of Delhi, Rajasthan, Uttarakhand, Uttar Pradesh and West Bengal are the eleven Ganga Basin States.

Functions of GFCC

Presently, the broad functions of GFCC are as under:

- To prepare a Comprehensive plan of flood management in the Ganga sub-basin. The field investigation and collection of data for the purpose will be carried out by the State Governments as directed by the Ganga Flood Control Board.
- To draw out a phased and co-ordinated programme of implementation of works included in the basinwise plans.
- To advise the concerned states to follow guidelines in respect of quality control, material specifications and maintenance in order to ensure the implementation of works and the maintenance thereof to proper standards.
- To prepare the annual programme of works and allocation of cost, wherever required for consideration of the Board.
- To make an assessment of the existing ventways under the road and rail bridges and to determine additional waterways to be provided for reducing the drainage congestion to reasonable limits.

- To monitor the execution of the important flood control schemes particularly those receiving Central Assistance or being executed under the Central Sector.
- To examine all major and medium flood control, drainage, anti-water-logging and anti-erosion schemes of Ganga sub-basin states except for schemes of the States of Haryana, Uttar Pradesh and Delhi on the river Yamuna in the reach Tajewala to Okhla Barrage.
- Documentation and dissemination of findings emerging out of special studies or investigations conducted in participation with scientific Organisations for appropriate use by basin states and
- To evaluate the performance of major flood control measures executed by the States including all the Inter-State Flood Control Schemes.
- To participate in various National / International Committees set up by the Govt. of India and Ganga basin States pertaining to the subject of flood management.

The GFCC has also been given the task of coordinating several activities concerning flood management with Nepal and Bangladesh.

So far, 44 meetings of the Ganga Flood Control Commission have been held. The 44th meeting of the Ganga Flood Control Commission was held in March, 2013 at New Delhi where various issues pertaining to Ganga basin, such as, progress made in implementation of recommendations of Rashtriya Barh Ayog, Preparation of flood plain zoning/flood risk maps, implementation of sub-basin wise comprehensive plans, monitoring and evaluation of flood management schemes, use of remote sensing/satellite imageries for delineation of flood plain area, preparation of annual catalogue of flood management schemes etc. were discussed.

4(1)(b)(ii)

The powers and duties of its officers and employee

The powers and duties handled by each Directorate of Ganga Flood Control Commission are given as under:

Powers of Chairman, GFCC

Chairman, GFCC is exercising the power of Head of Department under Delegation of Financial Power Rules. In technical matters, the scheme costing between 12.5 Crore and 25.0 Crore, after detailed examination, is cleared from GFCC with the approval of Chairman, GFCC. The scheme costing more than Rs. 25.0 Crore, after detailed examination, is recommended for consideration by the Advisory Committee for Irrigation, Flood Control & Multipurpose Project (TAC-MoWR) with the approval of Chairman, GFCC. Subsequent to clearance by GFCC/TAC-MoWR, the scheme is considered by Planning Commission for investment clearance.

Powers of Member(Planning), GFCC and Member(Co-ordination), GFCC

Member(P) and Member(C) exercises the power for approval of the scheme costing less than 12.5 Crore, if required. The scheme after clearance from GFCC is sent to the concerned State Government for approval.

Powers of Head of Office, GFCC

One of the Gazetted Officers at the level of Director / Dy. Director of GFCC is exercising the power of Head of Office delegated under the Delegation of Financial Rules. The Head of Office is nominated by the Chairman, GFCC. The Head of Office is also the appointing and disciplinary authority in respect of Group(C) and Group(D) posts in GFCC.

Powers of Drawing and Disbursing Officer

One of the Gazetted Officers is exercising the power of Drawing and Disbursing Officer delegated under the Delegation of Financial Rules.

Powers of Administrative Officer, GFCC

The Administrative Officer, GFCC assist the Head of Office, GFCC in discharging the works of Administration and Accounts. He supervises the works of Head Clerks / UDC / LDC.

Distribution of works among various directorates / divisions

Directorates under Co-ordination wing headed by Member(Co-ordination)

1. Co-ordination Directorate

- Works related to Ganga Flood Control Board and Ganga Flood Control Commission meetings.
- Preparation of Annual Action Plan / Results Framework Document (RFD)
- Preparation of Annual Report of GFCC
- Technical examination of flood management, drainage, anti-erosion schemes in the state of Uttar Pradesh (except for the reach of Yamuna from Tajewala to Okhla Barrage) and monitoring of schemes being implemented under FMP and other related matters.
- Draw out phased and coordinated programme of implementation of works included in the comprehensive Master Plans for flood management and annual programme of works in respect of states being dealt by the Directorate.
- Works relating to the following Committees
 - Gandak High Level Standing Committee (GHLSC) including schemes recommended by GHLSC.
 - Joint Standing Technical Committee of India & Nepal (JSTC) and related matters
- Reply of related Parliament Questions/VIP references and for the Ganga basin as a whole.
- Any other works assigned by the Chairman/Member, GFCC.

2. Planning Directorate

- Technical examination of flood management, drainage, anti-erosion schemes in the state of Bihar and Jharkhand and monitoring of schemes being implemented under FMP and other related matters excluding those recommended by GHLSC.
- Draw out phased and coordinated programme of implementation of works included in the comprehensive Master Plans for flood management and annual programme of works in respect of states being dealt by the Directorate.
- Works related to Kosi High Level Committee & related matters.
- Supply of materials related to Parliament Questions/VIP references pertaining to river basins being dealt by him.
- Any other works assigned by the Chairman/Member, GFCC.

Directorates under Planning Wing headed by Member(Planning)

3. Master Plan – I Directorate

- Updating of Comprehensive plan for flood management for 12 river systems viz; Mahananda, Punpun, Ajoy, Kiul-Harohar, Damodar, Mayurakshi, Tons, Rupnarain-Haldi-Rasulpur, Jalangi, Sone, Tidal rivers and Main Ganga Stem. Year-wise allocation for updating would be decided by Chairman/Member.
- Technical examination of flood management, drainage, anti-erosion schemes in the state of West Bengal and monitoring of schemes being implemented under FMP and other related matters.
- Draw out phased and coordinated programme of implementation of works included in the comprehensive Master Plans for flood management and annual programme of works in respect of states being dealt by the Directorate.
- Indo-Bangladesh Matters: Technical examination of schemes related to common/border rivers with Bangladesh and monitoring of its implementation.
- Participation, documentation and dissemination of recommendation of special studies or investigation conducted along with other scientific organizations. Works connected with BIS, CBIP including R&D activities. Works related to Survey of India for preparation of contour maps for flood plains of Ganga basin for flood plain mapping/zoning.
- Monitoring of annual flood events, preparation of weekly flood reports and inundation maps and annual flood reports including flood inundation maps of Ganga basin.
- Compilation of annual damages and flood disaster management and climate change issues.
- Works related to TAC and other Committees of Farakka Barrage Project.
- Supply of related materials for Parliament Questions/VIP references in respect of basins being dealt by him.
- Setting up and management of a GIS Lab in GFCC.
- Maintenance of Library in GFCC.
- Any other works assigned by the Chairman/Member.

4. Master Plan – II Directorate

- Updating of Comprehensive plan for flood management for 11 river systems viz; Gomati, Adhwara group, Ghaghra, Kamla Balan, Burhi Gandak, Bagmati, Kosi, Gandak, Yamuna, Ramganga and Badua Chandan. Yearwise allocation for updating would be decided by Chairman/Member.
- Re-assessment of adequacy of existing waterways under the road and rail bridges falling in Ganga basin .

- Technical examination of flood management, drainage and anti-erosion schemes in the state of Himachal Pradesh, Uttarakhand, Rajasthan, Madhya Pradesh, Chattisgarh, Haryana, NCT of Delhi and schemes of Uttar Pradesh in the Yamuna basin in the jurisdiction of GFCC and monitoring the schemes being implemented under FMP and other related matters.
- Draw out phased and coordinated programme of implementation of works included in the comprehensive Master Plans for flood management and annual programme of works in respect of states being dealt by the Directorate.
- Works relating to Joint Committee on Inundation and Flood Management (JCIFM) between India & Nepal and its related matter.
- Matters related to application of Remote Sensing for flood management
- Issue of guidelines for material specifications quality control and maintenance to ensure implementation of works and maintenance of proper standard.
- Supply of related materials of Parliament Questions/VIP references of the river basins being dealt by him
- Any other works assigned by the Chairman/Member.

5. Administrative Division (Presently entrusted to Director (MP-II) -

- Works relating to General, Establishment, Accounts and Cash Section.
- Work related to Hindi Section of GFCC and other related matters.
- Works relating to procurement of T&P, Stationeries and other related matters.
- Processing the proposals for training, participation in seminars, workshops etc.
